You stink
at this...

Am I
the worst?!

Don't do it...
They will totally
laugh at you.

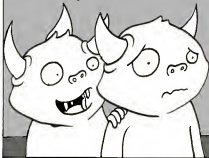

Now I'm older

I wouldn't!

definitely!

I always used to let
anxiety stand in the
way of me doing things

You want to
talk to those
kids?

I think so

Now I stand in the
way of my anxiety

but they
will laugh at
your bald
head!

So...
I've
heard it
all
before
